

# Turbo Controller

Master Bakers will appreciate this versatile touch screen colour controller for our Ovens, allowing them total flexibility. Alternatively it can be pre-programmed with 99 bake programs for ease of use by semi-skilled staff, to give consistency across a wide range of products. The controller can automatically switch off the power to the oven if not used for some time, this will save money for the energy conscious.

## Features of the TC

- Touch screen controller for all Ovens
- Temperature in Deg C
- Can be used manually or with bake programs
- 99 Bake programs
- Bake timer and 24 hour timer
- Passcode protection
- Automatic steam operation
- Automatic damper operation
- 10 step bakes available
- Energy saver, auto switch off if not in use
- Power limiter available for deck ovens. Set the maximum kW's allowed.
